Instructions

In order to love the Mass, we need to learn about it!

Each time you watch a video and complete a worksheet for this course, you'll learn about *two* parts of the Mass. Color in two people after you do. Color them in the section of the Mass that you learned about that day.

Sometimes this will mean coloring in one person in one section and another person in the *next* section.

Use the list on the right side to help you figure out which section the part of the Mass you learned about was in.
